

Written by L. E. Levy Illustrated by C. H. Bellinger

Harry is a frog who knows there is more to taste than flies and bugs.

Harry goes on several adventures looking for delicious tasting food and on the journey learns to be polite and develops friendships.

The first book, Harry Ventures Out, takes Harry to Slice Happy Pizza where he eats a variety of different types of pizza.

Each book teaches politeness and manners and offers a recipe at the end of the book.
