Dear Mr. Levy:

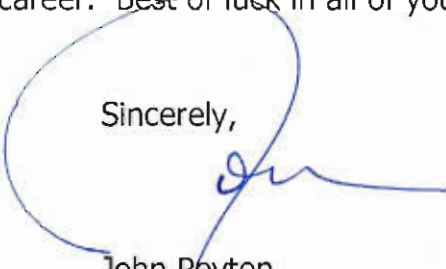

Larry

Thank you for the copy of your book *Harry the Hungry Frog: Harry Ventures Out*. It's a delightful story that my children enjoyed.

Books like yours inspire a love of learning and reading in young people. Your imaginative story is written on a level that entertains not only the children but also the adult who reads it to toddlers. The beautiful illustrations make yours a book that children will want to read again and again.

I hope you are inclined to write more children's books and that you find great success in your new career. Best of luck in all of your future writing endeavors.

Sincerely,

John Peyton
Mayor
